Dear Parents and Friends,

Last Friday we celebrated World Teacher’s Day. I sincerely thank all our teaching staff for their dedication and concern for the children at Holy Trinity. Our teachers are an amazing group of professionals who not only show up for work each day but always offer a spirit of service and giving of themselves that is outstanding. This community is truly blessed with parents that work closely with the teaching staff and the teaching staff who always have the best interests of the children at the core of all they do. See over the page the thank you from the teachers to the parents for the splendid banquet supplied for our lunch. Let’s not forget the non-teaching staff who make this school “hum”, thank you.

At this time of the year many teachers are looking for a change in their career path. Teaching can be a position you may hold in one school for a very long time or a career where teachers are able to gain many varied experiences in many schools.

This year we say thank you and farewell to Mr Yearsley and Sister Anne and wish them the very best as they move into new school communities in 2016.

This Saturday we have our annual working bee. There is much to do. We have ordered a large skip bin and would like to empty the storage areas of surplus items. Also many areas require a good clean. Holy Trinity is not my school, it is our school and we don’t have the luxury of having a maintenance man as other schools do. So please if you can come along from 8-11am it would be most appreciated. Morning tea provided.

Have you sent in a box of soft drink for the fair? If not, please do so as soon possible. The FAIR is another opportunity for social community building. We are a great community let’s make this an outstanding fair.

Mums self-defence class – I’ll be there – WILL YOU! Thursday 19th November.
Please contact the school office to book your place.

May God bless you all and I thank the Lord for allowing me to be part of this community.

We sometimes do things for which we are later sorry. Apologising is something we can do to let other people know we are sorry. It also often makes us feel better.

  - Say it out loud to the person or
  - Write the person a note

* Choose a good time and place
