Literacy Hint – From Mrs Tripp
When reading stories or watching programs on television or DVD, check that your child can sequence the events by telling you what happened first, next, last. This understanding will help them predict what to expect when reading a story. It will also help your child to write stories that make sense and have a beginning, middle and end.

Sincere Sympathy
Sincere Sympathy is extended to Mrs Amne Zreika (Ruby Year 5) on the recent death of her mother. The thoughts and prayers of our school community are with you and your family at this difficult time.
